

CHAPTER 6

LONG RANGE NAVIGATIONAL AIDS

PART I LORAN-C

600A.	General.	6-3
600B.	Operation.	6-3
600C.	Receivers.	6-4
600D.	Station List.	6-4

PART II DECCA

610A.	General.	6-10
610B.	Chain Numbers.	6-10
610C.	Accuracy.	6-10
610D.	Fixed Errors.	6-11
610E.	Variable Errors.	6-11
610F.	Notes.	6-11
610G.	Station List.	6-12

PART III SATELLITE NAVIGATION

620A.	General.	6-14
620B.	GPS.	6-14
620C.	DGPS.	6-15
620D.	GLONASS.	6-15

Notes: Greater detail on the theory, principles, and operation of long range navigational aids may be found in The American Practical Navigator (Bowditch)(NVPUB9).

The U.S. Naval Observatory Website provides LORAN-C and GPS user information and data at:
<http://tycho.usno.navy.mil/gps.html>

The U.S. Coast Guard Navigation Center Website provides Loran-C, GPS, DGPS and general radionavigation user information and status at:
<http://www.navcen.uscg.gov/>
<http://www.nis-mirror.com> (Mirror site)

GPS status is also broadcast from WWV and WWVH (See sec. 200H.).
